Circular Memorandum No. BUD.1754-D.
Secretariat (Annexe), Fort,
Bombay, 24th February, 1955.

CIRCULAR MEMORANDUM.

It has been found that the monthly statements of recoveries of principal and interest from displaced persons, under "P-Loans and Advances" and "X-Interest" as called for in the Government Circular Memorandum, Rehabilitation Department No. BUD., 1754-D , dated the 22nd April 1954 are not being furnished on due dates by the the officers concerned. It is observed that someof the officers have not furnished the statements for the year 1953-54 and also for certain months of the year 1954-55. The Officers mentioned in the accompanying statement are requested to furnished the monthly statements of recoveries for the periods mentioned against them immediately. These statements should be furnished separately for each month for the year 1954-55.

2. It is also seen that many of the officers have not got the statements certified from the Treasury Officers to the effect that the figures of recoveries have been included by them in the monthly receipt schedules for the respective months as instructed in the Government Circular Memorandum, Rehabilitation Department No. BUD. 1754-D, dated the 22nd April 1954. All the officers concerned are, therefore, requested to follow this instruction scrupulously and to get all the statements of recoveries henceforth duly certified by th Treasury Officers concerned as stated above. They are also requested to furnish fresh copies of the statements which have not ben certified by the Treasury

Officers.....

officers previously duly certified accordingly accordingly immediately and in any case notlater than 15th March 1955. It will not be possible to reconcile the figures of xxxxxxxx recoveries reported by the Officers unless the said figures have been certified by the Treasury Officers concerned to the effect that the said figures have been included in the Receipt Schedules for the respective months, sent by the Treasury and Sub-Treasury Officers to the Accountant General's office.

3. It is seen that some of the Collectors who have displaced persons' colonies under their control do not furnish consolidated statements after takinginto account the recoveries made by them and the recoveries made by the officers in charges of the displaced person's Colonies under their control. As the allotments are placed at the disposal of the Collectors and as the Collectors alone are controlling the grants sanctioned for their respective districts, it is very essential that consolidated statements are furnished to Government so as to obvia xxxxx scrutiny of number of returns. The Collectors concerned are, therefore, requested to furnish consolidated statements inclusive of the recoveries madein the Colonies and other subordinate office if any under control. This procedure should be adhered to scrupulousl

4. All the officers are again requested to ensure that t statements of recoveries are furnished by the due date henceforth.

By order and in the name of the Governor of Bombay,
